## CFO Eric Urff set to leave Nedap

Groenlo, the Netherlands, 14 February 2019

Nedap's Supervisory Board and Eric Urff have decided, in close consultation, that Eric will leave the company. After working at Nedap for nearly five years, Eric wants to take a new step in his career.

Eric will continue to work at Nedap until the end of 2019 at the latest, giving the Supervisory Board ample time to find a suitable replacement. This timeline also offers sufficient time to ensure a smooth handover of duties.

Nedap has shown positive development over the past years. The supply chain has been restructured, the focus in the various activities has been sharpened, the balance sheet has been improved, and the company's financial performance shows an upward trend, making this a good time for Eric to pass the baton on to a successor.

The Supervisory Board owes Eric a great debt of gratitude for his contribution over the past years and wishes him all the best in the rest of his career.
